East Sussex Local Transport Plan 4

Closes 9 Dec 2022

Opened 31 Oct 2022

Contact

0345 608 0190

localtransportplan@eastsussex.gov.uk (mailto:localtransportplan@eastsussex.gov.uk)

Overview

The development of our fourth Local Transport Plan (2023-2050) for East Sussex is currently underway.

This is one of the Council's most important documents as it sets out how we will connect people to places around and through the county over the next three decades - by walking, cycling, public transport, car or by using new forms of travel.

At this stage, we want to hear:-

- what your priorities are for travel and transport,
- the key issues you encounter, and
- what opportunities for improving travel across the county are important to you.

Why your views matter

If you are interested in helping to shape the future of local transport to make East Sussex a great place to live, work and visit, then we want to know what you think!

The initial public consultation will commence on **Monday 31 October and will run through to on Friday 9 December 2022.**

You can participate online or using one of the options below:

- Online by visiting the consultation website
- Requesting a copy of the survey and returning by freepost – please call 0345 60 80 193.
- In person by collecting and completing a survey, which will be available from all libraries across East Sussex.

Help shape the future of transport in East Sussex

CORRESPONDENCE

a) **Clerk Conversation with Winchelsea Beach Resident regarding Dogs Hill Road**

Clerk spoke to a resident from Winchelsea Beach regarding Dogs Hill Road. He had previously written regarding the use of Harbour Field and the football club. He told the Clerk that the real issue is the road as there is not enough room for cars to park. He said that he has had people blocking his driveway on numerous occasions throughout the summer. He also said that people drive down the road too fast and that currently the road is 60 mph which he said is an accident waiting to happen. He said that he has witnessed his neighbour be hit by a car down on the road, thankfully she wasn't hurt. He told the Clerk that he has actually already spoken to Cllr Glazier who put him in touch with Mr Taylor who he did not find particularly helpful and he was told that he knew what the speed limit of the road was when he bought the house. The Clerk explained to the resident that unfortunately there isn't an awful lot the Parish Council can do regarding this as Dogs Hill Road falls under East Sussex Highways. The Clerk confirmed that she would bring this conversation to the Parish Council's attention at the next meeting.

b) **Email received from Icklesham Resident Regarding Shop in Village**

I have noticed when driving through lots of local Villages that they all seem to have one thing in common, either a Village Shop or a Village Store whereas we do not, we used to have shops but now we don't.

We all have to drive to go shopping be it Rye or Hastings, would it not be a good idea to contact Tesco's and invite them to set up a Tesco Express or something similar here in the village, they must all be looking for trade.

The benefits would be massive both to the Village itself and to the residents, the bus service is worse than poor and the environmental effect of most residents having to drive to go shopping cannot help, the shop needs to be at the heart of the village.

ITEM 12 c)

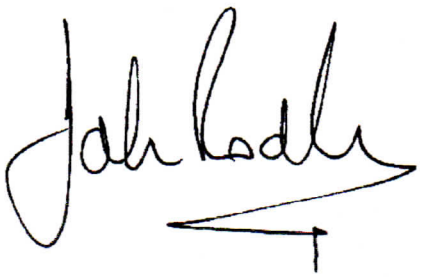
The Parish Clerk
Icklesham Parish Council
By e-mail 2 November 2022

Dear Jenner,

Thank you for making an electronic transfer of the Parish Council's donation of £120 to the RBL Poppy Appeal. I do hope that they will duly acknowledge the Council's generosity. However, as this sum should eventually feature against our local fund raising effort, would you please, if possible, also pass on my thanks, as local organiser, to Council Members for their support of this year's appeal.

The Council's wreath has been given to the Cllr Smedley for laying at 1100 on Sunday 13 November.

Yours sincerely,



John Rodley

Winchelsea Methodist Chapel

Hastings - Bexhill - Rye Circuit

Reply to :

24th October 2022
Clerk to the Icklesham Parish Council
PO Box 148
Winchelsea
TN31 9FP

Dear Clerk,

You will be aware of the Wesley Methodist Chapel in Rectory Lane and I enclose a couple of leaflets that you may find helpful.

The building dates from 1785 and there is little we can do to improve the one and only access that includes a couple of steps. However, we are a little concerned that when people exit the Chapel, they are quite close to the main road. If they were to slip this could cause a possible problem.

We did wonder if it would be helpful to have a small rail on the pavement directly outside of the door to stop folk perhaps slipping, or stepping directly, into the road. This has not happened, but we are aware that as folk leave the Chapel they tend to gather outside of the door.

We would value your comments and whether you feel that this would be a helpful safety strategy for people who visit the Chapel. We would not necessarily expect the Council to pay for all the possible expense, although at this stage we have not made any enquiries about cost etc.

Perhaps I can leave you to have a look at the situation and I look forward to hearing from you in due course.

Thank you in advance for any guidance that you can give to us.

Your sincerely,
