

New from Bodiam CE Primary School

After two years of disruption, it has been lovely to be back to normal with everybody back in school.

We have been really busy learning and making memories. Since September we have:

- Taken Years 5 & 6 on a residential to Hindleap Warren in the Ashdown Forest.
- Celebrated Harvest in St Giles Church with Canon Christopher
- Had a virtual visit by local poet Brian Moses.
- Competed in football, netball, benchball, sports hall athletics and cross-country events with other local schools.
- Raised money for Children in Need by wearing non-uniform.
- Had Forest School sessions with Farmer John from Great Out Tours
- Filmed, due to COVID, our Nativity and Carol Concerts so that all families could enjoy them.
- Dressed up as a book character to celebrate World Book Day.
- Returned to Claremont School for our swimming lessons.
- Hunted for Easter Eggs in Dokes Field.
- Offered a range of after-school clubs including netball, art, parkour, gymnastics, construction, computer and a foreign languages club using the Duolingo app.

We still have a Theatre trip to Tunbridge Wells to see Billionaire Boy; Whole school Jubilee picnic; Open afternoon for parents; sports day; visits from our new Reception children; taster days to our new secondary schools; athletics and cricket competitions with local schools and our summer performances to look forward to. Not forgetting our School Summer Fair on the Recreation Ground on Saturday 16th July.
