

Supporting Paperwork for Brede Parish Council meeting 29th March 2022

Item 12

Before plans proceed too far with a new pavilion and play equipment, it has been suggested that Councillors should be sure that the layout of the Recreation Ground is appropriate. A plan of the current layout, with the position of the proposed new pavilion has been circulated. Councillors will need to consider the options and the possibilities, to include new play equipment, correct siting of the Pavilion and a possible memorial.

Item 13

Three quotes from Architects have been circulated.

Item 14

New piece of Play equipment. Quotes have been sought for various alternatives from three suppliers. All quotes received will be circulated by Friday 25th March.

Item 16

The Council needs a robust Risk Management Scheme to cover all possibilities. A Risk Management Scheme has been circulated for approval

Item 17

The first quarterly inspection of the play equipment has been completed. The report and recommended repairs have been circulated.

Item 18

The Asset Schedule has been updated and circulated.
