

Supporting Paperwork for Recreation Ground Committee Meeting 26th February 2024

Item 5 Architect Costs

The Architect breakdown of works and advised costs has been circulated.

Item 6 Preschool Play Area

Three quotes are currently being sought, from Kompan, Hags and Safeplay. The specification requested was:

A fenced area between the large new piece of equipment and the fitness equipment. To measure approximately 7x7m to 8x8m, (depending on space available). Equipment to include a springer/rocker, a double springer or 4 seated lazy daisy, a small slide (not metal) and a static piece such as a train for imaginative play. All items to go on grass if possible, but to advise. Further equipment which might fit into the space to be suggested.

Safeplay are preparing a suggestion from the brief. Meetings arranged with Kompan on Tuesday 20th Feb and Hags on Monday 26th Feb. Any further details received will be brought to the meeting.

Item 7 gyro spiral replacement

The three companies listed above have also been asked about a replacement item for the giro spiral, such as a twisting net. Brochures will be brought to the meeting.

Item 8 Trees

To discuss any possibilities or concerns about the monolith oak.

Item 9 Wild Play area

The above three companies have also been asked about stepping stones and balance beams for the wild play area.

Item 10 Accessible Path

Two companies have been asked to quote. Meetings arranged for Thursday 22nd and Monday 26th.
