

Pavilion

The old pavilion on the Recreation Ground was demolished in October 2020 after it became dangerous and beyond repair. The Parish Council already had planning permission for a new brick built pavilion, but Covid delayed further plans

A new plan for a wooden pavilion on brick piers has been prepared. It would have a small kitchen, a store room, toilets and a large area suitable for changing or for small parties. There is an outside veranda, and the pavilion would be turned to face out over the Recreation Ground. The plans are available to view.

Comments about this project are very welcome. Please write to the clerk Tracy Dixon at clerk@brede-pc.gov.uk
