Recreation Ground Committee meeting of 24<sup>th</sup> June 2024 89/2024 - 95/2024.  
**Members RESOLVED to approve the minutes for signing.**

**124. Review of Open Public Meeting**  
The clerk had summarised the responses received so far. Mostly it was in favour of all the items planned, but there were some comments about parking issues, would the basketball court be replaced, and passing places to be available on the path. General discussion on the open night had been about parking concern. Plans were still available in Trinity Methodist Church Hall for viewing. Members felt that perhaps the path should actually be in front of the pavilion and play equipment and not behind as first planned, due to the lack of space behind.  
**Members noted the responses and discussed the proposed layout of the path. The clerk to ask the architect to come and peg out a revised layout for the pavilion and then an alternative option for a path route in front of the pavilion and play equipment can be decided.**

**125. Publication of Plans on the Website**  
Members agreed that the plans, with the revised option for the path layout, should be made available on the website, with the opportunity for the public to comment.  
**Clerk to publish the details on the website and a link on Facebook.**

**126. Update on Funding applications**  
The clerk had written a project brief, and looked for some funding. An updated quote for the path would be required before applications were submitted.  
**Members noted progress to date.**

**127. Items for noting or for including on future agendas.** A walk over the Recreation Ground took place to look at layouts again.
