

# Cackle Street, Brede Surface Dressing

We'll soon be working between the junctions of Stubb Lane and Udimore Road to improve the condition of the road.

A layer of bitumen is sprayed onto the road to seal it and stone chippings are then spread on top. The road surface is then rolled to embed the chippings.

 **Tuesday 1 July:** Removal of Cat's Eyes 7pm-7am

 **Monday 7 & Tuesday 8 July:** Surface Dressing 7pm-7am

 **Friday 11 July:** Surface seal treatment 7pm-7am

*If needed, lining, cats eyes and HFS will be replaced at a later date which will be confirmed via advanced warning signs.*

During the above times, access will be restricted to residents only. Should you need access, please speak with the team onsite who will assist you.

**Thank you for your patience while we carry out these improvements**

# How will you be affected?

**Buses:** Any affected bus services have been informed and will be diverted.

**Noise:** Properties close to the carriageway may notice some noise, flashing lights, or reversing sirens. We will do our best to keep this to a minimum.

**Parking:** ‘No parking’ cones will show where parking is restricted. Please avoid parking here as it will delay us.

**Weather:** All works are subject to weather conditions. If it rains or is too hot, it may affect progress.
