

HIGHWAYS REPORT – September 2024

Happily, there has been less to complain about over the summer months.

There has been a change of staff at East Sussex Highways:

Replacement Stakeholder Liaison Officer - Sam Crowhurst

Replacement Highways Steward - Stefan Rumary

Jetting and scanning of drains running from The Street down to Darwell Junction took place a few months ago and various problems were raised as a result. We have received notification that remedial works to drains down Cackle Street are scheduled for 13.01.25 and will seek confirmation that the work includes any problematic drains at the back of Longhouses.

Sam and I have an SLR meeting scheduled for 19 November.

Meanwhile, I am attaching the newsletter from East Sussex Highways about road surface repair funding.

Cllr Petty.
