

IMPORTANT ROADWORKS INFORMATION

4 March 2025

Ludpit Lane, Robertsbridge

Dear Resident / Business owner,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. As part of this, we will be carrying out drainage works on Ludpit Lane, Robertsbridge.

Once completed, these works will help to alleviate flooding in the area.

When do they start?

Work will be carried out on **Wednesday 9 April 2025** between 9:30am and 4pm.

We will inform you of any changes to the dates or times via advanced warning signs on site.

What are we doing?

The works involve root cutting, and replacing broken drainage pipes and covers.

How will this impact highway users?

The team will be working between the junction of Fontridge Lane and the Brightling Road junction.

Access to the road will be restricted for the duration of the works. Traffic will be diverted via Brightling Road, A21, A265, Oxenbridge Lane & vice versa.

If you need vehicle access, please discuss this with the team on site. Please bear in mind there will be delays whilst the area is made safe and your vehicle is escorted by site marshalls. Access for emergency vehicles will be maintained at all times.

Information for residents and businesses

Parking: If required, we will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

Waste collection: Access will be maintained for waste collection.

Bus service: Arrangements will be made for allowing access for buses.

Weather: All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Properties close to the carriageway may experience a temporary disturbance as this can be a noisy process and those properties may experience flashing lights and reversing sirens.

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network. Should you have any concerns regarding these works, you can contact us at eshcomms@balfourbeatty.com.
