

ACCESSIBILITY STATEMENT

Adopted: 13th March 2024

Review: Annually

This accessibility statement applies to the Brightling Parish website. This website is run by Brightling Parish Council, alongside community groups. We want as many people as possible to be able to use this website.

For example, that means you should be able to:

- change colours, contrast levels and fonts
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader.

We've also made the website text as simple as possible to understand. AbilityNet has advice on making your device easier to use if you have a disability.

HOW ACCESSIBLE IS THIS WEBSITE?

We know that this website is not fully accessible and we are working on a solution.

We know that in some parts of the website:

- the text will not reflow in a single column when you change the size of the browser window
- you cannot modify the line height or spacing of text
- most older PDF documents are not fully accessible to screen reader software
- you cannot skip to the main content when using a screen reader.
