Willingford Lane, Burwash, Parapet repairs

We'll soon be repairing the cracks in the parapet on Willingford Lane, Burwash.

Tuesday 3 November 2026 between 8am and 4:30pm.

We'll be working on the parapet above the river, near the top of Willingford Lane.

The road will be closed to through traffic, with a signed diversion route in place via the A265, King's Hill Road and vice versa.

For safety, access to properties within the works area will be limited and managed during our working hours. If you need access, please speak to the team on site, as arrangements and routes may change as work progresses.

Please bear in mind, there could also be a delay while the area is made safe for you to pass and your vehicle may be escorted by site marshalls. This is for properties with direct access within the closure area only and there will be no through route.

Thank you for your patience while we carry out these improvements

How will you be affected?

Buses: Any affected bus services have been informed and will be diverted.

Noise: Properties close to the carriageway may notice some noise, flashing lights, or reversing sirens. We will do our best to keep this to a minimum.

Parking: 'No parking' cones will show where parking is restricted. Please avoid parking here as it will delay us.

Weather: All works are subject to weather conditions. If it rains or is too hot, it may affect progress.
