

## **Lodge Field Children's Park - June 2022 - Supporting Paper**

1. Following the Council's agreement to survey Council Tax payers in Hurst Green, Cllr B. Janes and Cllr A. Brown drafted a flyer to survey residents, this has also been approved by the Council.
2. Each household in Hurst Green will receive the survey, and many have already been delivered. The date for the return of these surveys is the 15th July 2022.
3. We are grateful to the Councillors and residents who supported the delivery of the survey flyers.
4. We were delighted to have received logistical support from Hurst Green Primary School - survey flyers have been distributed to parents/guardians in the children's book bag and also at the school's fete held on the 25th June 2022.

### **For discussion/decision**

Please could the Council:

1. agree responsibility for collecting the completed surveys from the Village Hall green postbox? Our recommendation is that it should be the Clerk to the Council.
2. agree who will have the responsibility for confirming each return is from a valid council tax payer, and for the results of the survey? Our recommendation, as above, is that it should be the Clerk to the Council.
3. confirm the total number of residential properties in Hurst Green parish, we believe it is in the region of 680 homes?
4. confirm the total number of responses that would be needed for the loan to be applied for?
5. assist in identifying a route for the delivery of the outstanding flyers to be delivered to homes in: Burgh Hill, Coronation Gardens, Acorn Way, Great Oak, South View Close, and the Ticehurst Road.
