25 April 2023

Dear Anita,

**Re: Hurst Green Parish Council
Internal Audit Year Ended 31 March 2023 – Year-End Audit report**

Executive summary

Following completion of our year-end internal audit on 25 April 2023 we enclose our report for your kind attention and presentation to the council. This report should be considered alongside the interim audit report issued following our interim audit on 7 November 2022. The audits were conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Hurst Green Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Michelle Webber on behalf of Mulberry & Co. We confirm we are independent from the management of the financial controls and procedures of the council and neither the internal auditor or the firm have any conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Your auditor has over 26 years' experience in the financial sector with the last 11 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter

An engagement letter was previously issued to the council covering the 2022/23 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR. As part of the inherent risk assessment, we have concluded that:

- There have been no reported instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- The management team are experienced and informed
- Records are neatly maintained and referenced
- The client is aware of current regulations and practices
- There has been no instance of high staff turnover

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

Interim Audit - Points Carried Forward

Audit Point	Audit Findings	Council comments on actions taken since interim visit
FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS	Use of common email addresses are recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.	The councillors do not have common email addresses, recommendation carry forward.
FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS	I was unable to locate a Privacy Notice and recommend the council ensures one is placed in a prominent position on the website.	Still unable to locate the Privacy notice on the website, carry this recommendation forward.
ASSETS AND INVESTMENTS	There appear to be some anomalies between original values and asset values which require investigation before the final audit. Council is reminded that it is not appropriate to appreciate or depreciate asset values for Parish Councils, and the asset value should be equivalent to the original purchase price or recorded as a nominal £1 where no financial exchange of money took place.	The Assets register has been updated since Interim audit, it now has the correct original values as at purchase.
BANK AND CASH	I noted that the reconciliation and bank statement have not been signed in accordance with the Financial Regulations, and to achieve a positive sign-off for this control assertion I will need to see	Confirmation of reconciliation and bank statement has been signed off in accordance with the Financial Regulations 2.2

	evidence of FR 2.2 being complied with at the final audit.

B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check that the council's Financial Regulations are being routinely followed.

The council has thresholds in place at which authorisations to spend must be obtained as below:

FR 4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- the council for all items over £5,000;*
- a duly delegated committee of the council for items over £500; or*
- the Clerk, in conjunction with Chairman of Council or Chairman of the appropriate committee, for any items below £500.*
- The Clerk and RFO are duly delegated to spend up to £300 without prior authorisation.*

Such authority is to be evidenced by a minute or by an authorisation slip duly signed by the RFO and, where necessary, also by the appropriate Chairman.

Contracts may not be disaggregated to avoid controls imposed by these regulations

FR 4.5. In cases of extreme risk to the delivery of council services, the clerk may authorise revenue expenditure on behalf of the council which in the clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £500. The Clerk shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter

Further to the testing conducted at the interim visit, I am still satisfied these had been approved in accordance with the thresholds contained within the Financial Regulations, and approval, where needed, recorded in the minutes of meetings.

The council has Financial Regulations in place regarding the award of contracts, and this includes:

FR 11.1 (h) When it is to enter into a contract of less than £25,000 in value for the supply of goods or materials or for the execution of works or specialist services other than such goods, materials, works or specialist services as are excepted as set out in paragraph (a) the Clerk or RFO shall obtain 3 quotations (priced descriptions of the proposed supply); where the value is below £3,000 and above £100 the Clerk or RFO shall strive to obtain 3 estimates. Otherwise, Regulation 10.3 above shall apply.

There were no tenders under review during the year. The Council is in the process of going to tender for new playground project.

Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £8.82 per elector.

The council has section 137 expenditure for the year, which is comfortably within the allowable limit.

Check receipt of VAT refund matches last submitted VAT return.

The council submits its VAT return on a six-monthly basis. The VAT return to 31 March 2023 has been submitted for £949.29. The previous VAT claim for £1,235.42 has been received into the bank account 27 October 2022.

Confirm that checks of the accounts are made by a councillor.

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

“We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.”

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

The accounting records show that the council ended the year with income reported as 134% of budget and expenditure reported as 166% of budget.

The council holds £41,486 in earmarked reserves (EMR), spread across a range of clearly identifiable projects. I checked the purpose of these EMRs with the Clerk and am satisfied they are all for legitimate future planned projects of the council.

The council also holds £30,205 in the general reserve.

The Joint Panel on Accountability and Governance (JPAG) Practitioner’s guide states *‘the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority’s general reserve is that this should be maintained at between three and twelve months of net revenue expenditure’* (para 5.33).

The general reserve balance is within the recommended range.

G. PAYROLL

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority’s approvals, and PAYE and NI requirements were properly applied.

Audit findings

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and confirmed that this includes only salary payments, HMRC payments and pension contributions.

H. ASSETS AND INVESTMENTS

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR and was able to trace the changes to the previous year’s total against the asset register.

The Council has revalued the assets as there was anomalies highlighted at Interim audit due to appreciation and depreciation of assets which is not appropriate. The figures are stated at original purchase price.

The council has a Public Works Loan Board (PWLB) loan, I was able to confirm the year-end loan balance and in year capital and interest repayments against the PWLB year-end statement.

I. BANK AND CASH

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

I reviewed the March 2023 bank reconciliation and was able to confirm the balances to the bank statements and found no errors.

Balances held are within the £85,000 protection limit offered by the Financial Services Compensation Scheme (FSCS).

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting. **COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ANNUAL ACCOUNTS).**

Section 1 – Annual Governance Statement

Based on the internal audit finding I recommend using the table below as the basis for that discussion.

	Annual Governance Statement	'Yes', means that this authority	Suggested response based on evidence

Audit findings

The year-end accounts have been correctly prepared on a receipts and payments basis with no requirement for the box 7 and 8 reconciliation.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2021/22.

The variance analysis has been completed to explain the variances exceeding 15% where required, and in my opinion, contains sufficient narrative and quantitative information for the External Auditor.

K. LIMITED ASSURANCE REVIEW

Internal audit requirement

IF the authority certified itself as exempt from a limited assurance review in 2021/22, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2021/22 AGAR tick "not covered")

Audit findings

The council did not certify itself exempt in 2021/22 due to exceeding the income and expenditure limits and this test does not apply.

L: PUBLICATION OF INFORMATION

Internal audit requirement

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation

Audit findings

This internal control objective has changed since last year. Where previously it related to the relevant Transparency Codes, a council with annual turnover exceeding £25,000 was recommended to follow the Local Government Transparency Code 2015, but it was not a statutory requirement.

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

13(1) An authority must publish (which must include publication on that authority's website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3)

13(2) Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGAR are available for review on the council website for the last five years.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS**Internal audit requirement**

The authority has demonstrated that during summer 2022 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2021/22 Actual	2022/23 Proposed
Date AGAR signed by council	26 April 2022	30 May 2023
Date inspection notice issued	10 June 2022	31 May 2023
Inspection period begins	13 June 2022	5 June 2023
Inspection period ends	22 July 2022	14 July 2022
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2021/22, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council.

I was able to confirm that the proposed dates for 2022/23 meet the statutory requirements.
