

Bus Services - Covid-19 Crisis

- You should only travel if your journey is necessary. Bus services are running to reduced timetables so please check for updates before travelling.
- Avoid travelling at busier times if you can. Buses now have reduced passenger capacities to assist with social distancing.
- In England when travelling on a bus you must wear a face covering unless exempted from doing so.
- Remember to carry hand sanitiser and use it before and after travelling.
- Concessionary Pass free travel times updates can be found on our website.
