

Village Traffic and Roads Report

Vehicle Activated Sign (VAS) Report

Black Cat Traffic Monitoring Device

There were no Black Cat monitoring sessions carried out this month. The VAS calibration data for November was determined this time last year.

Speed Watch

There were two speed watch sessions carried out in the period, both at the Old Post Office.

Date	Time	Recordings	Letters	Excessive speed	Remarks
23/11/22	11:00 – 12:00	24	17	3	Letters anticipated
24/11/22	14:00 – 15:00	13	13	1	
2 sessions	2 hours	37	30	4	

There were two PCSOs in attendance for the session on the 23rd.
