

## Village Traffic and Roads Report

### Vehicle Activated Sign (VAS) Report

The number of vehicles recorded in February are lower than those recorded in January; however, February is a short month.

### Black Cat Traffic Monitoring Device

There were no Black Cat monitoring sessions carried out this month. The VAS calibration data for January was determined this time last year.

### Speed Watch

There were two speed watch sessions carried out in February and are summarised below.

Date	Time	Recordings	Excessive speed	Letters sent	Remarks
13/02/23	08:00-09:00	11	0	10	1 sold / in trade
17/02/23	15:30-16:30	12	0	12	
Totals	2 hours	23	0	22
