

## **Chairmans Report (For RALC Meeting 14 April)**

These are not all RALC meetings but the subject matter is always linked to RALC. Much of the effort has been raising awareness of need for the new Unity Council to engage with Parish & Town Councils and how we can effectively engage with the Unitary, plus reviews of how RALC & ESALC can best organisationally address the challenges ahead as set out in the Jan RALC meeting.

### **Meetings 12 Jan to 13 April**
